How do I use a promo code?

To activate the promo code, fund your trading account with the required amount and then follow the steps below:

1. In the web version of the Freedom24 trading platform, go to your profile page
2. Make sure that you have selected a trading account and not a D-account
3. Click on the Enter Promo Code link
4. Enter the code in the box and click Use
5. Receive a gift stock from a random selection
6. If you have difficulties receiving it, try to refresh the page and find the "Congratulations" block in your profile

1. In the Freedom24 mobile app, go to "Menu"
2. Make sure that you have selected a trading account and not a D-account
3. Select 'Bonuses', then 'Enter Promo Code'
4. Enter the code in the box and click "Use"
5. Receive a gift stock from a random selection
6. If you have trouble receiving them, try reconnecting to your trading account and go to 'Menu' item 'Bonuses' again
